TRANSPORTATION – GETTING TO SANTA CRUZ DE TENERIFE

There are two airports in the Island of Tenerife which receive traffic from the mainland (mainly Madrid) and from Europe.

Tenerife Norte – Los Rodeos (Recommended):

This airport is about 12 km from the city of Santa Cruz de Tenerife. Although there is a bus service (every 30 minutes), it is recommended to take a taxi to the hotel. (Taxi rate: 15–20 Euros).

Tenerife Sur – Reina Sofía:

This airport is about ~~36~~63 km from the city of Santa Cruz de Tenerife. The best way to go to the city is to catch the bus (TITSA route 111; 6.35 Euros) to the bus station and take a taxi from there to the hotel. (Taxi rate from the airport to S/C: 70–75 Euros)

The bus stop for all routes is outside, opposite the arrivals gate of the passenger terminal.

GETTING TO THE INSTITUTE (IEO)

A bus service to transport attendees to and from the Oceanographic Centre will be available and will take about 15–20 minutes depending on traffic. The bus will depart the City meeting point at 0820 h and will return from the Centre at 1745 h. The location of the bus meeting point and the hotels can be seen at:

<http://maps.google.com/maps?q=http://www.ccamlr.org/pu/e/sam-12/hotels.kml>

COFFEE/TEA BREAKS – LUNCH

Refreshments for morning and afternoon tea breaks will be available in an area close to the meeting area. For lunch, there are places in the centre where people could have their own sandwich or walk a little (about 1 km) to San Andrés where there are several places (restaurants, cafeterias or snack bars) with a great variety of meals:
